News of Approaching Marriage Comes As Complete Surprise to Many Friends of B. M. Atwood

With only one or two of his most intimate friends tipped off to his contemplated action, B. M. Atwood, assistant engineer of the state highway department left Wednesday evening for his old home, Dayton, Tennessee, where he will be united in marriage to Miss Sarah Thatcher.

The uniting of the two young people in marriage comes as the culmination of a school day's romance. Miss Thatcher is the daughter of Capt. R. R. Thatcher, U. S. A., commander of the fleet on the Tennessee river and its tributaries. The ceremony will be performed on the fourteenth of this month.

The young couple will visit Kansas City and Salt Lake and from there will go on to the coast to take in the fair.

Tempe News Notes**BEST COTTON PRICES**

In an effort to secure the bid of as many purchasing firms as possible and to ascertain just what the highest quotation now is, the Tempe exchange is busy getting out letters and samples of last year's cotton to the eastern firms. Brokers and permanent dealers are being approached. Returns from all of these people will be in by next week, thus making it probable that some definite step will be taken at the meeting on Saturday the 18, toward the sale of the Tempe cotton.

NORMAL REGISTER 40

Tempe normal registered forty students on the opening day yesterday and it is probable that twice that number will put in their appearance within the course of today. Valley students who can find it convenient to get here today should do so and register and classify at the office and thus avoid the big rush that will come on Monday when the students from other parts of the state will be given an opportunity to line up their year's work.

WATSON HAS A CAR

O. C. Watson is sporting a new Studebaker seven-passenger machine that he purchased yesterday morning. Watson has contemplated joining the auto world for a number of years, and now that he has concluded to enroll he took the biggest car for the money.

HERE FROM BUCKEYE

Mr. and Mrs. Will Wood and two children of Buckeye, who once made their home at Tempe, were here yesterday and spent the day as the guests of Mrs. Laura Haigler and son Charlie Haigler at their ranch south of town. It has been seven years since the Woods have visited their former home town and they were very favorably impressed yesterday at the new sights that greeted them and the many municipal and other private property improvements that were apparent on nearly every hand.

**"OO-y! My Corn-n!"
H-m, Use 'Gets-It'**

Then You'll Have No Corns to Bump! Your Corns Will Come "Clean Off." Quick!

Did you ever see a corn peel off after you've used "Gets-It" on it? Well, it's a moving picture for your life! And you hardly do a thing to

"Sore Corn Bumped and Upped"
"Gets-It" Corns Vanish!"

it. Put a little "Gets-It" on it, dries at once. There's nothing to stick. Put shoes and stockings on right over it. No pain, no fuss, 45 hours—corns gone. "Gets-It" never hurts the true flesh, never makes toes sore. If you have tried almost everything else for corns, you will be much more surprised to see how quickly and easily your corns and calluses will come right off with "Gets-It."

Quit limping and wrinking up your face with corn-wrinkles. Try "Gets-It" tonight on that corn, callus, wart or bunion, and you'll be glad you read this.

"Gets-It" is sold by all druggists, a bottle, or sent direct by E. Lawrence & Co., Chicago. Sold in Phoenix and recommended as the world's best corn remedy by Owl Drug Co., Elvey & Hulet, Phoenix Drug Co.

Mesa News Notes**DEATH OF ANDREW CLARKSON**

Adam Clarkson, who has been making his home with his daughter, Mrs. Sam Swift, northeast of Mesa, died on Wednesday night from complications due to old age. He has been sick during the last month.

Mr. Clarkson was born in Kentucky in the year 1847, removing with his parents to Marshall, Missouri, when he was fourteen years of age. He lived at this place until eighteen months ago when he came to make his home with his daughter, Mrs. Swift, here at Mesa.

Mrs. Clarkson preceded her husband in death five years. The three children living are Mrs. A. A. Swift, of Claremore, Oklahoma, Mrs. Sam Swift and Charles Clarkson of Mesa.

Mr. and Mrs. H. D. McKee are the happy parents of a daughter, their first born, which arrived at their home yesterday morning.

ELAINE GETTING EXCITING

As the "Romance of Elaine" serial draws to a close it is getting more and more exciting. The episode to be shown at the Majestic tonight is entitled "The Death Cloud" and it is without doubt the most thrilling of any chapter yet shown. Del Mar is still trying to mine the labyrinths and smuggle in munitions of war. Then the deadly chlorine gas bombs are brought into action, all of which is very interesting at this time when we hear so much about the use of these things in the European war. There will be other pictures as well, not the least of which will be a comedy of the "all-fun" variety.
